

Currency Exchange International and Fedora Guys Travel Group Announce Affiliate E-Commerce Partnership

Currency Exchange International (CXI) is excited to announce a new partnership with **Fedora Guys Travel Group**, an established name in the travel industry.

This collaboration introduces an exciting new benefit for Fedora Guys clients—enhanced access to CXI’s comprehensive currency exchange services. By integrating CXI’s robust currency solutions, **Fedora Guys Travel Group** will now offer travelers seamless online home delivery access to the foreign currency they need for their global journeys. This partnership aims to enrich the travel experience for the Fedora Guys Travel Group clientele, ensuring they have the financial flexibility and convenience required for their adventures around the world.

CXI is dedicated to offering exceptional foreign currency exchange services with competitive rates and top-notch customer support. With 80+ currencies and over 35 branch locations across the United States, CXI is strategically positioned to conveniently meet the Fedora Guys Travel Group members' currency exchange needs.

We are excited to continue expanding access to our OnlineFX Home Delivery service to more travelers than ever before, so they can experience why CXI helps more than 1 million people a year achieve their happy travels!

About Currency Exchange International
